## Product Specification Magnesium acetate-4-hydrate CAS No. : 16674-78-5

**Chemical name :** Magnesium acetate-4-hydrate

**chemical name :** Magnesium acetate-4-hydrate

**Appearance :** fine, white powder

**assay :**  $C_4H_6MgO_4 \cdot 4 H_2O$  : min 99 %

**other :** Chloride: max. 0.05 %,  
sulphate: max. 0.2 %,  
iron: max. 0.001 %

**Packing :** Bags

|                               |                                                                                                                                                                                                   |
